

Where Do We Go From Here? Worksheet Collaborative Teams Turn Data Into Information for Continuous Improvement

Describe one or more aspects of a professional learning community that you would like to see in place in your school.	What steps or activities must be initiated to create this condition in your school?	Who will be responsible for initiating or sustaining these steps or activities?	What is a realistic timeline for each step or phase of the activity?	What will you use to assess the effectiveness of your initiative?
<p>Collaborative teams of teachers regard ongoing analysis of results as a critical element in the teaching and learning process.</p> <p>Data are transformed into information that impacts practice because evidence of results is easily accessible and openly shared among teammates.</p> <p>Teachers use results to identify strengths and weaknesses in their individual practice, to help each other address areas of concern, and to improve their effectiveness in helping all students learn.</p> <p>The focus on results is critical to both the school's system of interventions and their culture of celebration.</p>
